

TROJAN T.R.A.X. MENTORS

- All 8th-grade students will receive a Trojan TRAX mentor!
- The final goal is to coach students toward the Trojan TRAX scholarship! (visit alleg hanyedfoundation.org for more information)
- Mentors will meet with students at school four times a year for an average of 15 minutes per meeting!
- Mentors will follow students from 8th grade to high school! The same mentor will be with students throughout high school until they graduate!

Mentors will work with students in the following ways:

- **Personal and academic goals and progress**
- **The student's grades**
- **Course selection**
- **Attendance & Behavior**
- **Participation in extra-curricular activities SAT/ACT registration**
- **College and scholarship research**
- **College application completion**

*All mentors are volunteers who have been approved through Alleghany County Schools

Mentors will be given reports with current grades and attendance as they work to give students the best support possible.

If you would like to decline participation in the Trojan TRAX mentor program and the TRAX scholarship, please contact your school office to notify the school principal.
